Forecast for Tuesday 14 Jun 2022

Weather: A dry, mostly sunny start with any mist in valleys quickly clearing. Cloud increasing through the morning, to leave bright or sunny spells by the afternoon. Remaining dry into the evening, with clearing skies. Light winds throughout.

Chance of cloud-free hill tops above 600m: 100%

Low cloud and visibility: Cloud will form through the morning with bases above the summits. Visibility generally very good, although locally moderate to poor in any mist that has formed in low lying areas at first.

Freezing Level*	2100m	1900m	1900m	2000m	2000m	1900m	1900m

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

Tuesday will see some very favourable conditions to be out in the Brecon Beacons but it is worth noting that the UV index will be high in the afternoon and that pollen levels will be very high.

Recent rainfall: measured at Neuadd: altitude 353m
